Find more information and register at www.opmug.org.

***Note:** Prices subject to change. Training events are at a reduced price vs. retail, thanks to Oklahoma Career Tech support. Seminars are one-to-two-day events normally free or at a nominal cost to OPMUG members.

****Cancellation Policy:** If a registered participant cancels after the cancellation deadline has passed, the participant will be charged 50% of the registration fee (unless they can find someone else to fill that spot). The cancellation deadline will be the same date as the deadline to enroll for the training event due to the contract trainer's own cancellation policy, which will be 45 days prior to the event (please see event flier for the exact date). This is required to know if we have enough participants to move forward with the class.
